## TAWNY OWLS 2

### *All about me*

I grew up in Dorset and have been teaching for 6 years.

I have two children and lots of animals. We have three dogs, a cat, a very naughty rabbit and a hamster.

I love sewing, spending time with my children on our bikes or walking in the forest.

I also love sports like netball and gymnastics. I spend quite a few weekends watching gymnastics or helping out at a gymnastics club.
