GOING HOME ARRANGEMENTS

Going home time does expose one or two concerns for which we need your help. A number of children do not go home with their own parents or the same adult each day. The arrangements that you make for your child's collection are personal to you and we do appreciate that 'life' these days does not conform to any regular pattern. **Please will you therefore complete this form** and keep the teacher updated if the situation changes. Parents can notify school by letter if known in advance or by telephone if a last minute change crops up (i.e. due to a sudden illness in the family, car breakdown, held up at an appointment etc).

This applies to all children at Hillside First School.

Please complete this form for each individual child unless they are twins in the same class.
