

Welcome to
Hillside School Assembly
Friday 1st May

Hello Hillside School.

I hope you're all well. We're all missing you very much.

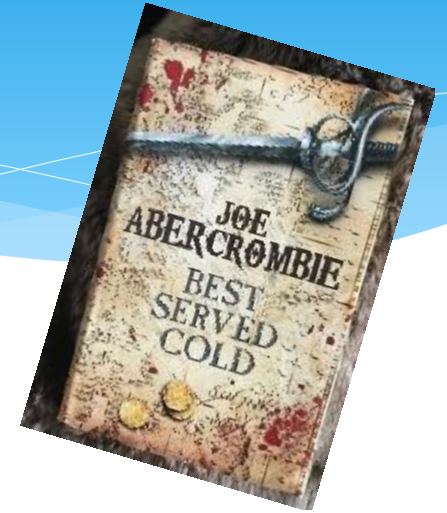

What is everybody doing at the moment?

Since we had to close the school our lives have been very different....

I've not seen Mrs Pain, Mr Alford or other teachers very much at all.

I've been at school sometimes with a few children and adults but most of the time I've been at home.

These are some of the things I've been doing.

Can you guess what they are?

What have you been doing?

Perhaps you've been doing some of the same things as me.

Maybe you've been doing different things.

When things are different it can feel strange. We may have days when it's okay and sometimes when it doesn't feel okay. 😞

Teachers have been calling to talk to you or your family to see how you've been doing.

I've heard about some great learning. Maths, reading and writing but some of you have learnt to ride a bike, been baking, drawing or invented new dances!

Well Done Hillside!

There'll be another assembly soon!

Would you like to share a picture of what you have
been doing during the school closure?

Email your picture to: office@hillsidefirst.dorset.sch.uk

Take Care and Stay Safe
