

Topic Learning -Postcard from the past 1920s

Week commencing 6.07.20

Suggested Activities to choose from - feel free to take ideas from either column. You do not have to do all these activities!

Key Stage 1

- 1) PSHE: Make a memory bank/ box/ poem/ interviews with parents/ family/ friends about this time we have lived through (2020). It will be a part of history that people talk about for a long time.
- 2) History: Children in the 1920s played with lots of different toys but Teddies started to become very popular. Draw or write about your favourite teddy or toy.

Crayons also become more popular and more colours were made in the 1920s. If you have them at home, use them to draw a picture of your toys.

- 3) Science: Find out about a famous scientist from this time:

Albert Einstein

Alexander Fleming

<https://www.bbc.co.uk/bitesize/clips/zd2qxnb>

Marie Curie

<https://www.bbc.co.uk/bitesize/topics/zd4dy9q/articles/z6bnd6f>

Beatrix Potter scientist & botanist,

<https://learnenglishkids.britishcouncil.org/short-stories/beatrix-potter>

then present your learning in your own way.

- 4) Art / D&T: Make a model of a seaside or create a seaside postcard. In the 1920s people went to the seaside. They played on the beach and made sandcastles just like we do today. (see opposite)

- 5) Make a seaside poster in the Art Deco style: see pictures below and this link for ideas:

<https://www.bbc.co.uk/iplayer/episode/m00048yz/art-ninja-series-5-15-day-of-the-flashback>

Maybe your poster could encourage people to keep our beaches clean! 33 tons of rubbish was collected from Dorset beaches recently. (See English activity)

Key Stage 2

- 1) PSHE: See KS1 box.
- 2) History: Find out about an aspect of the 1920s - clothes, houses, cars, travel or food and think about how it has changed in the last 100 years.

- 3) Science: Find out about a famous scientist from this time:

Albert Einstein

Alexander Fleming

<https://www.bbc.co.uk/bitesize/clips/zd2qxnbnb>

Marie Curie

<https://www.bbc.co.uk/bitesize/topics/zd4dy9q/articles/z6bnd6f>

What impact have they had on our lives?

- 4) DT: Woman engineer: Dame Caroline Haslett

<https://www.bbc.co.uk/bitesize/clips/z948jxs>

Listen to the information and make a poster or picture about this famous lady.

Write about or draw some items that use electricity in your house. How would you cope without them? Then try and find out about the history of inventions such as vacuums, TV, radio, cars, fridges etc.

- 5) Music: Can you learn the Charleston dance? Check out some Strictly Come Dancing Charleston dances there are some really good ones! imoves has some Charleston tutorials.

6) Music: jazz from imoves / listen to jazz music and decide if you like it or not, what makes you think that? Use the imoves Charleston video to show you how to dance the Charleston. Draw or find out about some of the musical instruments used in jazz music - saxophone, trumpet, trombone, piano, bass, drums and guitar. Which one would you play? Why?

6) Art: Art deco - look at the pictures on the next page and see if you can make your own Art Deco patterns.

Get Active! - Joe Wicks daily activity,
Go Noodle Kids.

Cosmic Kids Yoga; Nibs the Octopus <https://www.youtube.com/watch?v=hUBRoLRioiY>

Imoves is free at present to find some dance activities to suit your child. There are some jazz and Charleston theme activities to try. You have to register but it is free until the end of July.
